

First International Edition of the EGC Conference

October 24-26th, 2024

Geosciences and Chemistry: A multidisciplinary approach for sustainable development

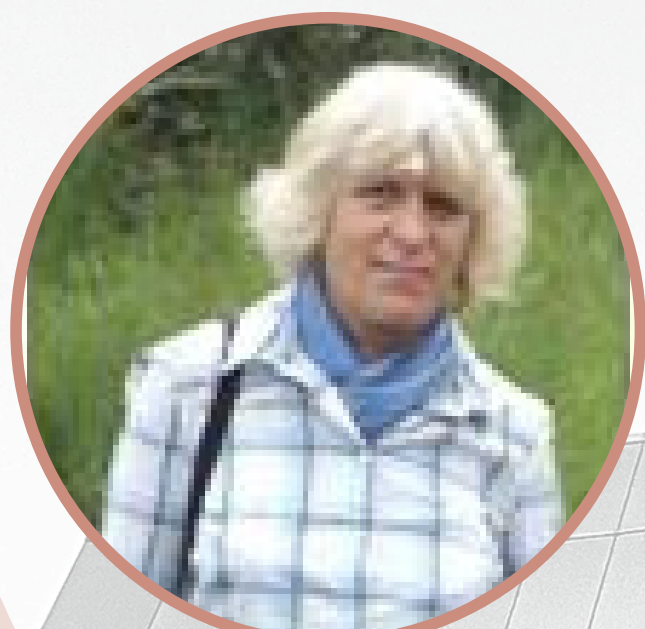

Call for abstracts

Deadline for Abstract submission: 15th August 2024

Venue

Multimedia Hall, Faculty of Sciences University of Yaounde I

Invited speakers

Pr. Nathalie FAGEL
Université de Liège, Belgium

Pr. Josepha FOBA TENDO
University of Buea, Cameroon

Dr Dirk Seidensticker
University of Ghent, Belgium

Dr Virginie Renson
University of Missouri, USA

Dr Damian C. Onwudiwe
North-West University, South Africa

Dr. Noël DJOBO YANKWA
MIPROMALO, Cameroon
Imperial College London, UK

Pr. COULIBALY L. Sandotin
Université Polytechnique de Man,
Cote d'Ivoire

Dr. Noémie TAQUET
AEMET, Spain

◆ Conference sessions ◆ Poster sessions ◆ Awards ceremony ◆ Conference dinner ◆ Exhibitions ◆ Sightseeing at Ebogo

EGC6 conference themes:

Materials

- Composite & Hybrid materials
- Inorganic Nanomaterials
- Materials development
- Bio materials
- Materials & pollution management
- Water treatment and environmental pollution

Geosciences

- Geomaterial exploration & Characterization
- Geochemistry & Alteration
- Geotechnic, Hydrology & Energy
- Volcanology, atmosphere studies

Archaeometry

- Materials & Cultural heritage
- Geosciences & cultural heritage

Register Now!

Registration fee includes access to scientific sessions, event materials, book of abstracts, refreshments, certificate of attendance.

Rates

Student: 5000 FCFA

Lecturer /Researcher: 10 000 FCFA

Foreign delegation: 50 000 FCFA (75 Euros)

Conference Sightseeing fees: 5000 FCFA

Registration Deadline: **15 September 2024**

Organising Committee

Pr. NDJIGUI P-D.; Pr. SABABA E.; Prof. MBEY J. A.; Pr. EMADAK A.; Dr CHE Randy; Dr. SIEWE J.M.; Dr EPOSSI NTAH; Miss NGO MAPUNA E. C.; Mr. ZOGO MFEGUE; Mr. TATANG H.; Mr. EMBOM Enock
